Statement from Colgan Air – NTSB hearing completed

Now that this hearing is complete, we would like to reiterate our sincere condolences to the families and loved ones of those who lost their lives in this tragic accident.

This hearing was an important part of the process to determine what happened in this accident and has initiated an important discussion on new measures that could be taken industry-wide to improve safety for everyone.

We want to know what happened as much as anyone else does and remain committed to do everything we can to prevent future accidents.

We are totally committed to safety and are determined to work closely with our industry colleagues and regulators to reinforce this primary industry objective.
